SANDEMANs NEW Hamburg is also proud to service groups and individuals looking for a private tour guide. Whether you represent a school group looking for "the most charismatic and entertaining guides in the business" (Cosmopolitan Magazine UK, 2005), or need to book a guide who is "more than the usual" (BBC Television) for a business client, or simply need a "genuinely informative" (Rick Steves 2006) guide to take you around the city, NEW Hamburg Tours has the guides you're looking for.
